Thank You Mary Kay Nelson for 13 Years of Service as an Adna School Board Director!

Mary Kay started as a volunteer with the ASD in the HOSTS program in 1982. She became a classroom helper and PTO officer when her daughter started school. In 1990, she began working part time as a certificated staff member. In 1987, she became involved in the study for a new high school and, in 1991, was the co-chair of the MS/HS bond issue to build the new school. She worked on the bond until it passed. She also worked as chairman and committee member for all subsequent levy issues. She was a founding member of the Adna Booster Club and continued to volunteer at many school events and activities through the past 25 years. As a board member, she served as the Legislative Representative for ASD.

Mary Kay was presented with an award for her 13 years of service as an Adna School Board Director at the December 11th School Board Meeting. (pictured left)
