Facilities Overview

During the tour, ideas were discussed regarding what district structures should be saved and which could possibly be demolished. Dennis Dahlstrom offered a suggestion regarding the possibility of the Fire District using the structures to be demolished as practice for fire instruction.

Superintendent Forrest also informed the Board that there are two possible grants, Urgent Repair Grant and Energy Conservation Grant, the district could apply for in order to address facility needs. During the tour, possible qualifying projects were looked at and prioritized.

Discussion
