

# ADNA "BUY A BRICK, BUILD A STADIUM"

The Adna Booster Club welcomes you to be a permanent part of the new athletic facility at Adna Middle/High School by donating a commemorative brick. All donations are tax deductible to the extent allowed by law.

The new facility will include a covered grandstand that will seat 1000 people, a new dual purpose grass field for football and soccer, and an eight lane track. Concession stands and restrooms will be built into the grandstand. The commemorative bricks will be a part of a pathway leading from the new parking area to the new stadium.

The Adna School District is supporting this project with \$300,000 which is being matched by a generous donation from Trans Alta. In order to fulfill the master plan, additional funds must be raised. The Booster Club is asking for your partnership in raising these funds.

For more information on the project, contact Aaron Dunnagan (360-269-4902) or the Adna School District. Join "Adna Citizens For a Stadium" on facebook.
