NEED A REPLY BY JANUARY 20th

Dear Parent,

Adna School District is determining if they will have a Driver's Safety Education class this year since the **minimum number of students must be 25**. The records show your son/daughter will be at least 15 years old on or before class begins. If you will want to sign up for this class, here is some information to help you decide.

- The non refundable class fee is \$360.00 and due March 1st
- Class is before school 7:00-8:00AM. The instructor will work with athletes, but it is the athlete's responsibility to keep in touch with the instructor on assignments
- Class will start around the 2nd week of May and run for 6 weeks. It will consist of 30 hours class time & 6 hours behind the wheel time
- Students 15½ on or before class begins can obtain an instruction permit (includes 2 attempts to pass knowledge exam) for \$20 from WA state Dept of License.
- FYI: Students must have an instruction permit for at least 6 months prior to obtaining a drivers license.
