## WHERE ARE THEY NOW?

Where are our alumni now?

**This edition:** Rhonda Massingham Hart (Poe)

Rhonda Massingham Hart (Poe) was a member of the Adna High School Class of 1977. She graduated with honors and as the Salutatorian of her class. She now resides in Chattary, WA and is a writer and published author. She donated books to the district that she wrote. Here are a few words from Rhonda.

“Robert Eastman was school superintendent back in the days before cell phones and the internet, yet he still managed to relate to us kids as if we were actually people. His care and interests in students at Adna Schools went beyond his job description - he was an inspiration to try harder, a wise ear even when we had to confess mistakes and a true representation of what community could be at its best. He was a role model for those who would fill his shoes after him.

May all of Adna's teachers, principals and administrators appreciate the lasting influences they have on the lives of kids. Bob Eastman made impressions to last a lifetime—and he is missed. It is an honor to be able to offer any addition to the Robert O. Eastman library.”
