**Black & Orange Day  
Friday, October 29**

Students are being asked to participate in our Fall Celebration at school by wearing the traditional fall colors such as orange and black on Friday, October 29. Students do not wear costumes to school due to the heartache that is caused when someone forgets or the costume needs repaired. In an effort to make the day less hectic and more enjoyable for everyone, students are encouraged to wear fall colors as we celebrate the fall season. The parties begin after last recess at 1:50 and include special treats and sharing activities with other classes.
