~ Committed to the success of our graduates ~

Throughout the school year, we like to take pictures of our students participating in various school activities. Often we publish these pictures as a means of sharing with the community what goes on in our schools. Such publications include, but are not restricted to, the Adna School District newsletter, The Chronicle, and the Adna School District Website. If you wish that your student not be photographed, please contact the school office or district office.
