Discussion Items
a. Transportation Review – Superintendent Forrest used a PowerPoint presentation to review the districts revenues and expenses under the current contract with First Student. Mr. Forrest explained how the state determines the dollar amount each district is reimbursed for transporting students to and from school and the length of time the district owned buses can be claimed for depreciation reimbursement. Currently the district has $99,320.00 in the Vehicle Transportation Fund which can only be used to purchase a bus. Board members would like to discuss the probability of purchasing a bus at the next regularly scheduled board meeting and would like to know the percentage of the district’s students that ride the buses.

b. Review of Potential District Budget Reductions, Facilities Reconfigurations - Superintendent Forrest provided Board members with a handout showing district’s revenues and expenses for its rental facilities. Mr. Forrest conveyed that due to the impending state budget cuts he has been considering alternative avenues to reduce the district’s expenses. Mr. Forrest has proposed that the district look at options to possibly meet more energy efficient facilities within our district. After brief discussion Board members agreed that the current expenses of the tenants need to be cost neutral to the district’s budget. Members also agreed with the possible relocation within the district. Stan Long proposed that at the very least installing energy efficiency upgrades to the old high school building should it continue to be occupied.

c. Review of District Report Card – James Forrest, Superintendent provided Board members with the district most recent state report card.

d. Review of District Adequate Yearly Progress (AYP) – Superintendent Forrest provided Board members with information regarding AYP and was pleased to announce that the Adna School District was one of only two Lewis County school district to meet AYP in all categories. Mr. Forrest also commended the teaching staff for their outstanding effort and their role in continuing to reach the district’s goals.
