1. Applications for classified employment will normally be kept current for one (1) calendar year, after which an applicant must update by calling or coming to the District Office to indicate continued interest in employment within the schools.

2. When job openings occur, applications will be screened by the hiring administrator/supervisor according to the job description. The interview process will be conducted by the Superintendent or his/her designee. The administrator/supervisor in charge of the screening process will make his/her recommendation to the superintendent. All employment recommendations require board approval prior to official employment.

3. According to Title 8, US Code, Section 1324A, the successful candidate will be required to complete an Employment Eligibility Verification Form (I-9). Prior to official employment, the district will document the citizenship/immigration information regarding employment eligibility that is furnished by the prospective employee. The information that is recorded may come from documents which establish both identity and authorization to work, such as a birth certificate, social security card, driver’s license and so on.

4. The 1992 Legislature passed ESHB2518 which requires a state and national fingerprint background check for school employees with regularly scheduled unsupervised access to children. As a pre-employment condition, the successful candidate will be required to complete this process. The cost of the process is the responsibility of the applicant, and generally is approximately $80.00.

5. A detailed resume’ including experience and training relative to the position in question is part of the application process.

6. Applicants interested in substitute work, should mark the application where indicated. After completing the fingerprint process, applicants who indicated an interest in substituting may be added to an on-going substitute list sent periodically to building administrators/supervisors. The district or individual schools will utilize these lists to fulfill substitute needs.
