INTERESTED IN VOLUNTEERING?
Our schools are always looking for individuals that enjoy helping kids in the classrooms or by helping with various fundraisers. Some of those areas are; reading to elementary students or helping in their teachers, PTO events, Adna Booster Club events, Adna Scholarship Foundation Dinner Auction, and many other areas. If you are interested please contact the district office at 748-0362 for additional information.

Throughout the school year, we like to take pictures of our students participating in various school activities. Often we publish these pictures as a means of sharing with the community what goes on in our schools. Such publications include, but are not restricted to, the Adna School District newsletter, The Chronicle, and the Adna School District Website. If you wish that your student not be photographed, please contact the school office or district office.
