Congratulations to TwinStar Community Foundation recipient, Mrs. Scheuber!

TwinStar Credit Union began supporting teachers and education more than 80 years ago as the Thurston County Teachers Credit Union. Each year teachers submit their very competitive applications hoping to be selected and this year Adna’s own will get some extra money to spend on her students. Well done Mrs. Scheuber! For more information about the grant visit the TwinStar Community Foundation website at https://www.twinstarcu.com/foundation/classroom-cash

Congratulations to Mrs. Majors!

This year Mrs. Majors completed the FFA Foundations, Curriculum for Agricultural Science Education (CASE) Capital Equipment Grant application and received notification that her application will be fully funded, $20,000.00. She will be able to use these funds on specific CASE course purchases.

For the past three budget cycles the Washington State legislature has made this grant program a priority due to all of the hard work and great results that is being done across the state by CTE Agriculture Educators. Often we publish these pictures as a means of sharing with the community what goes on in our schools. Such publications include, but are not restricted to, the Adna School District newsletter, The Chronicle, and the Adna School District Website. If you wish that your student not be photographed, please contact the school office or district office.
