School Hours: 8:30 AM-2:40 PM
Our bands have been very busy and here is just a little bit of what they have accomplished recently: The Adna Marching Band (under the direction of Drum Major Kyler Walker) took home the "Professor Harold Hill" award (1st place marching band) at the Montesano Light Parade in December. The percussion ensemble welcomed composer Michael Nuemeyer to Adna last month to help rehearse his premiere piece "Spaced In" which will debut here at Adna at our March 12th concert (7:00 Commons). Mike gave a percussion master class, a mini performance, and provided insight on his music.

The Adna bands participated in the Southwest WA regional Solo & Ensemble contest Sat. Feb. 1st at W.F. West. Adna had a record number of entries and all represented Adna very well. State qualifiers from Adna (which will be performing at State Solo & Ensemble in Ellensburg in April) are the Percussion Ensemble: Brandon Apperson, Liz Rawls, Kyler Walker, Josie Veatch, Daisy Bower, and Seth Oberg; Saxophone Quartet: Tyler Layden, Chance Slater, Josh Carver, and Robert Case. State bound Soloists include Kyler Walker (Baritone horn & Multiple Percussion), Josie Veatch (mallets) and Jacob Maughan (French Horn).

March 11th concert is now March 12th at 7:00 p.m. in the Commons, 7-12th grade bands.

**Adna Veteran’s Archives**

“If you know of anyone who has graduated from Adna High School and has served in the United States Armed Forces, I would appreciate having the information for my senior project. I am going to start the process of archiving the records of Adna alumni who have served our country. If you have any information that could possibly help, please email Jake Ferrier at ferrierjake@gmail.com or call at (360) 748-4773. Thank you, and please spread the word.”

**NEW COURSE OFFERING**

Adna High School currently has a classroom full of science students learning about robotics under the instruction of Mr. Gosman. The students are learning to build and program their robots to perform specific tasks. Daisy Bower recently shared with School Board members how challenged she is in the class and how much she is enjoying it. Next year with the help of Mrs. Melanie Case and Mr. Gosman the students hope to be part of a competing robotics club.
