Para-Educator & Support Staff Appreciation Week

March 9th through the 13th is Appreciation Week for all of our support staff. Our district is fortunate to have a great team of educational support professionals who are dedicated to helping our district succeed. These individuals are valued for the outstanding job that they do each and every day. Their roles range from maintenance, custodial, food service and office staff to those who work in the classrooms providing an extra set of hands for our teachers and students. Native American History Museum

Our third grade students shared their Native American Tribe reports and artifacts at their 3rd Annual 3rd Grade Native American Museum held in the elementary gymnasium. All the presentations were very well done.

Great Job to All!!!

POSITIVE BUS RIDERS

The Adna bus drivers would like to thank the following students for having a positive attitude on the daily bus ride as well as helping the driver when needed during the months of March and April.

~Rt 1 Kylah Stevens & Hannah Frederickson; Rt 2 Dwayne Kochanek & Brooklyn Thompson; Rt 3 Kaylee Stephenson & Bently Vogel; Rt 4 Wyatt McMeekin & Oliver Bellows; Rt 5 Nevaeh Anderson & Tallon Ryf; Rt 7 James Greenwood & Ava McAuley ~ Great Job!!!
University Bound

Congratulations to Skye Snow (parents: Wade Snow and Danette Snow) and Payton Aselton (parents: Kevin and Juli Aselton) on your acceptance to St. Martin’s University. Both students received athletic scholarships. Skye will be pursuing an education in nursing and Payton will be pursuing an education in occupational therapy in schools.

8th - Natalee Werner, Tanner Wagner, Hailee Hellem

7th - Lillian Wellander  6th - Annabelle Cserni

Our Band Has Great Potential

This year’s solo & ensemble competition was held the beginning of February at Kelso High School. Adna had 27 entries ranging from 6th thru 12th grade. All 27 entries received a top superior score or an excellent rating. Entries included a variety of ensembles ranging from a large percussion group to brass duets and so on.

This year the band was invited to perform for the Washington Music Educators Association as a way to represent the potential that small schools posses. This was a high honor and a great opportunity to showcase the skills that Adna’s musicians have.

Congratulations Band!!

Adna Agriculture Education Department Awarded Grants

The Washington FFA Foundation awarded the Adna Agriculture Education Department two grants, each totaling $20,000.00 for a grand total of $40,000.00. The grant was available to schools that provide CASE (Curriculum for Agriculture Science) programs. Adna High School offers students the opportunity to take Natural Resources/Ecology and Animals Science through the CASE program. The two $20,000.00 grants have been used to purchase lab supplies for these two lab-based, student-inquiry classes. Some of the equipment that has been purchased includes lab sensors to test CO2 levels, light pollution levels and multiple water quality tests. Within the Natural Resources course, students will use forestry industry tools to measure board feet and lumber potential, orienteering an area and how to cruise a timber stand. Students get the opportunity to perform labs that they would see in a college-level lab course and even in the work-force as well. Other lab equipment, like microscopes and dissection mats, will be used for Animal Science anatomy units. Students in the Animal Science course have the opportunity to earn 5 college credits through Walla Walla Community College. Walla Walla awarded articulation status to the Animal Science program because of the rigorous course of study and in-depth level of the lab work that students experience.

Middle School Robotics

Adna’s competitive First Robotics team demonstrated their robot to board members. This was their first year competing at this level. Members are: Nate Scheuber, Tristin Foster, Levi Slapa, Phoebe Allen, Tyler Price, Cameron Thomas and Coach Marcy Scheuber and Gary Klein.
