Capital Projects Update

In 2011, the Adna community members voted for a Capital Project and Technology Levy. A portion of the levy was to address classroom space.

The district is pleased to share that the final project is scheduled for completion by the end of the month of October, 2014.

The conversion of the covered play area into a P.E. - weight room located at the middle/high school has made it possible to free up another classroom for students and provide much needed storage for various athletic and sports equipment.

The District is very excited about completing these projects.

Thank you Adna Community for your continued support!!

Harassment Intimidation and Bullying Policy - It is in violation of Board policy 3207 for a student to harass, intimidate or bully others. Information regarding this policy is available on the district website and at each of the school buildings.

Harassment - The Adna School District is committed to a positive and productive education and working environment free from religious, racial or sexual harassment. The District prohibits religious, racial and sexual harassment or violence involving students, employees or others participating in school district activities. Engagement in harassment activities will result in appropriate discipline or other appropriate sanctions against the offending individual(s). Incidents of harassment should be reported immediately to the building administrator, if possible, or to the compliance officer: James Forrest, Superintendent at the District Office. All formal complaints shall be made in writing.

Attendance Law Public Notice on Truancy - According to the Washington State Code as stated in Adna School District policy, “Parents of any child eight years of age and under eighteen years of age shall cause such child to attend school and such child shall have the responsibility to and therefore shall attend for full time when such schools may be in session unless the child is enrolled in an approved private school, an educational entity as provided in RCW 28A.205 or is receiving home-based instruction.” The superintendent may grant exceptions under certain specified conditions. According to statute as stated in policy, “Any law enforcement officer authorized to make arrests can take a truant child into custody without a warrant and must then deliver the child to the parent or to the school.”

Throughout the school year, we like to take pictures of our students participating in various school activities. Often we publish these pictures as a means of sharing with the community what goes on in our schools. Such publications include, but are not restricted to: the Adna School District newsletter, The Chronicle, and the Adna School District Website. If you wish that your student not be photographed, please contact the school office or district office.
